

Dear friends and family,

We are aware of the uncertainty created by the novel COVID-19 and understand that things are changing around us at an instantaneous rate.

We, therefore, urge you as well as all our family, friends, colleagues, members and communities to remember that it is important not to panic but rather observe all the precautionary instructions stated by verified medical sources such as the World Health Organisation (WHO) and Nigerian Centre for Disease Control (NCDC).

As a socially responsible church, we have a duty of care to our congregation to ensure that you have the best possible experience at any of our services and on account of this, we will be making wholesome changes to the ways we interact with you.

Consequent on the directives from the Lagos State government and latest developments surrounding the COVID-19 pandemic, we have taken certain steps to prevent the spreading of the virus and to safeguard you from infection.

1. **Effective immediately all services and physical meetings across all our locations have been moved to our online platforms.** Our Sunday and Wednesday services will be streamed live through our YouTube channels www.youtube.com/user/TheElevationTv , and our social media accounts.
2. Our quarterly vigil, 'Night of Increase', scheduled for this Friday the 20th by 7pm **will hold online exclusively.** The event can be viewed through the YouTube channel: www.youtube.com/user/TheElevationTv, and our social media accounts. To stay up to date on our services, please follow our YouTube channel and @elevationng on other social media platforms.
3. The Ubomi Medical Outreach has also been postponed until further notice. We remain dedicated to impacting the lives of the people who rely on interventions such as these to provide them access to quality healthcare and medication. The new date of the outreach will be communicated in the shortest possible time.
4. Our decision to go virtual will not hinder our ability to engage with you as we remain available to interact online via our various social media platforms for prayer, counsel or other needs in these times. It is important we do not keep to ourselves but communicate and uplift each other and continue to foster the spirit of community.
5. You can also connect with us via email: info@elevationng.org or via 0700ELEVATE (3538283)
6. The church will release a daily bulletin by 6pm each day to keep members and friends informed of our activities and developments.
7. For more information on this and updates please visit www.elevationng.org.

PISTIS CONFERENCE CENTRE. 1/Elevation Resurrection Drive, between Lekki 4th & 5th Roundabouts, Lekki-Epe Expressway Lagos. **+234 700 ELEVATE (353 8283)**, info@elevationng.org

Please do not forget to follow the hygiene guidelines - wash your hands with soap for 20 seconds, cover your mouth with the inside of your elbow when you cough or sneeze, maintain a 2-metre distance from anyone who is coughing or sneezing, don't touch your face and disinfect objects in frequent use particularly if they are in public domains.

Most of all, we encourage us to continue to care for one another, interact and to stay connected with us via social media channels and instant messaging.

Do not be afraid. We have a covenant of protection with God and I encourage that you trust Him in this season. May God continue to keep us all in perfect peace. Amen.

Sincerely,

Godman & Bola Akinlabi
Lead Pastors, The Elevation Church.
