

# Godman Akinlabi

(Leadership Profile)

Godman Akinlabi, is a seasoned leadership expert, coach and trainer with over two decades of experience spanning diverse fields like engineering, diplomacy, and business. He is a visionary leader, crafting transformative solutions that empower individuals and organisations to unlock their full potential. His unique "Make Greatness Common" philosophy translates into tangible results, guiding leaders towards building high-performing teams and driving sustainable growth across continents and industries.

Akinlabi's expertise lies not just in strategy, but in igniting purpose. His passion resonates through engaging presentations, workshops, and coaching sessions, where he simplifies complex concepts with clarity and warmth, fostering effective communication and collaboration within diverse teams. His thought leadership extends beyond the boardroom, addressing social and cultural issues with insightful perspectives shared in bestselling books like "I Am Possible," "The Seven Commandments of Foolishness," and "Don't Waste Your Pain," among others.

As the Founder of Pistis Life and Leadership Institute (PLLI), Akinlabi empowers aspiring leaders with the tools and strategies they need to thrive. He's also the convener of Vantage Forum, a platform that brings together thought leaders to share knowledge and experiences, further strengthening the wider leadership community.

From partnering with organisations across sectors to empowering countless individuals to discover their leadership aspirations, Akinlabi's impact is undeniable. He has a proven track record of delivering measurable results and helping people achieve significant improvements in leadership effectiveness, team performance, and overall success. Whether navigating cultural complexities or spearheading organisational transformations, his results-oriented teaching approach ensures positive change.

Godman Akinlabi is a trusted advisor, a catalyst for positive change, and a leader who embodies his philosophy of democratising greatness. He is a valuable asset to any organisation seeking to elevate its leadership, unlock its potential, and make a lasting impact on the world.
